# THE ROCKY MOUNTAIN NEWS....

(Every Morning in the Year and Weekly)

IS primarily a great newspaper. This is why it has more readers in and out of Denver than any other Denver Paper. And this, in turn, explains why it prints more general advertisements than any of its cotemporaries, and more "want" or classified advertisements than all the other Denver papers combined.

# THE ROCKY MOUNTAIN NEWS....

(Every Morning in the Year and Weekly)

IS primarily a great newspaper. This is why it has more readers in and out of Denver than any other Denver Paper. And this, in turn, explains why it prints more general advertisements than any of its cotemporaries, and more "want" or classified advertisements than all the other Denver papers combined.
